THE BOARD OF MANAGEMENT'S STATEMENT OF RESPONSIBILITY

The Board of Management of the Company is responsible for preparing the financial statements of each year, which give a true and fair view of the financial position of the Company and of its operation results and cash flows for the year. In preparing those financial statements, the Board of Management is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting principles have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business;
- Design and implement an effective internal control system for the purpose of properly preparing and presenting the financial statements so as to minimise errors and frauds.

The Board of Management confirms that the Company has complied with the above requirements in preparing the financial statements.

STATEMENT OF THE BOARD OF MANAGEMENT (CONT'D)

THE BOARD OF MANAGEMENT'S STATEMENT OF RESPONSIBILITY (CONT'D)

The Board of Management is responsible for ensuring that proper accounting records are kept, which disclose, with reasonable accuracy at any time, the financial position of the Company and to ensure that the financial statements comply with Vietnamese Accounting Standards, Corporate Accounting System issued under Circular 200/2014/TT-BTC dated 22 December 2014 and Circular 53/2016/TT-BTC dated 21 March 2016 by Ministry of Finance, and prevailing accounting regulations in Vietnam relating to preparation and presentation of financial statements. It is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of frauds and other irregularities.

STATEMENT OF THE FINANCIAL STATEMENTS

The Board of Management hereby state that, the accompanying financial statements give a true and fair view of, in all material aspects, the financial position of the Company as at 31 December 2025 and of the results of its operation and cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Corporate Accounting System issued under Circular 200/2014/TT-BTC dated 22 December 2014 and Circular 53/2016/TT-BTC dated 21 March 2016 by Ministry of Finance, and legal regulations relating to preparation and presentation of the financial statements.

INDEPENDENT AUDITORS' REPORT*Re: Financial statements of Xuan Hoa Viet Nam Joint Stock Company
for the year ended 31 December 2025***To: Investors, the Boards of Directors and Management
of Xuan Hoa Viet Nam Joint Stock Company****Report on the financial statements**

We have audited the accompanying financial statements of Xuan Hoa Viet Nam Joint Stock Company ("the Company"), which comprise the balance sheet as at 31 December 2025, the income statement and cash flow statement for the year then ended and the notes to the financial statements as set out on pages 06 to 43. The accompanying financial statements are not intended to present the financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in countries and jurisdictions other than Vietnam.

The Board of Management's responsibility

The Board of Management is responsible for the preparation and fair presentation of these financial statements in accordance with Vietnamese Accounting Standards, Corporate Accounting issued under Circular 200/2014/TT-BTC dated 22 December 2014 and Circular 53/2016/TT-BTC dated 21 March 2016 by Ministry of Finance, and prevailing accounting regulations in relating to preparation and presentation of financial statements, and for such internal control as the Board of Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. These standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT (CONT'D)

Auditors' opinion

In our opinion, the accompanying financial statements give a true and fair view of, in all material respects, the financial position of the Company as at 31 December 2025, and of the results of its operations and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards and Corporate Accounting System issued under Circular 200/2014/TT-BTC dated 22 December 2014 and Circular 53/2016/TT-BTC dated 21 March 2016 by Ministry of Finance, and prevailing accounting regulations relating to preparation and presentation of financial statements.

Emphasis of Matter

We draw the readers' attention to Note 4.2 "Trade accounts receivable" and Note 4.4 "Other receivables". As at 31 December 2025, the Company is recording overdue receivables and security deposits related to the performance of the contract with Hanoi Furniture and Technical Equipment Joint Stock Company, with approximate amount of VND 15.62 billion and VND 2.37 billion, respectively. Based on the progress of the Project as disclosed in Note 4.2 "Trade accounts receivable", the Board of Management has assessed that these receivables are recoverable. Our audit opinion has not been affected by this matter.

2. ACCOUNTING CONVENTION**2.1 Accounting convention**

The accompanying financial statements, expressed in Vietnam Dong (VND), are prepared under the historical cost convention and in accordance with Vietnamese Accounting Standards, Corporate Accounting System issued under Circular 200/2014/TT-BTC dated 22 December 2014 and Circular 53/2016/TT-BTC dated 21 March 2016 by Ministry of Finance, and prevailing accounting regulations relating to preparation and presentation of financial statements.

The accompanying financial statements are not intended to present the financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in countries and jurisdictions other than Vietnam.

2.2 Financial year

The Company's financial year begins on 01 January and ends on 31 December of the calendar year.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies, which have been adopted by the Company in the preparation of these financial statements, are as follows:

3.1 Statement of compliance with Accounting Standards and Corporate Accounting System

The Company has adopted all Vietnamese Accounting Standards, Corporate Accounting System and legal regulations relating to preparation and presentation of financial statements.

3.2 Accounting estimates

The preparation of financial statements in conformity with Vietnamese Accounting Standards requires the Board of Management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**3.3 Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and at bank, cash in transit, short-term deposits, short-term investment with an original maturity of three months or less or highly liquid investments. Highly liquid investments are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Cash equivalents are defined the same as those under Accounting Standard "Statement of cash flows".

3.4 Account receivables

Receivables are presented at carrying amount due from customers and other debtors, after provision for doubtful debts.

As at the date of the financial statements, provisions for doubtful debts are recognised for past-due accounts receivable and receivables that have not yet matured but are considered potentially uncollectible, or receivables from debtors who are unlikely to settle due to liquidation, bankruptcy, or similar difficulties, based on the assessment of the recoverability by the Board of Management.

Increases and decreases in the provision balance are recorded as general and administrative expenses in the income statement.

3.5 Inventories

Inventories are stated at the lower of cost and net realisable value.

Cost includes all costs of purchase, costs of conversion and other costs that have been incurred in bringing the inventories to their present location and condition. In the case of manufactured products, cost includes all direct material, direct labour cost and overheads cost based on the normal capacity.

Net realisable value is the estimated selling price in the normal course of business, less the estimated costs of completion and selling expenses.

Cost is determined using the weighted average. Inventories are recorded under the perpetual inventory method.

As at the date of the financial statements, provisions are recognised for obsolete, slow-moving, defective inventory, and for inventory stated at cost higher than net realisable value.

Increases or decreases in the provision for devaluation of inventories are recorded into cost of sales in the income statement.

Inventories are written down to net realizable value item by item. For services being rendered, provision is made in respect of each service for which a separate selling price is charged.

Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)

These notes are an integral part of and should be read in conjunction with the accompanying financial statements

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.6 Prepayments

Prepayments are reported as short-term or long-term prepayments based on their original term and are amortised over the period for which the amount are paid or the period in which economic benefit are generated in relation to these expenses.

The following types of expenses are recorded as prepayments to be amortised to the income statement.

- Tools and supplies;
- Fixed-asset repair and maintenance expenses;
- Prepayment for land rental;
- Others.

3.7 Tangible fixed assets and depreciation

Tangible fixed assets are measured at cost less accumulated depreciation.

The cost of purchased tangible fixed assets comprises the purchase price and any directly attributable costs of bringing the assets to their present location and working condition for their intended use.

Tangible fixed assets are depreciated using a straight-line method over their estimated useful lives. Details as follows:

	Estimated useful lives (year)
Buildings and structures	03 – 45
Machinery and equipment	02 – 15
Motor vehicles	02 – 15
Office equipment	05 – 10

The gain or loss arising from disposal of tangible fixed assets is difference between proceeds from disposal and its net book value and is recorded in the income statement.

3.8 Intangible assets and amortisation

Intangible fixed assets are measured at cost less accumulated amortisation.

The cost of an intangible asset comprises the total amount of expense incurred by the Company to acquire an asset at the time the asset is put into operation for its intended use.

Accounting principles for intangible assets are as follows:

Computer software

Computer software is not an indispensable component of hardware and is recognised as an intangible asset and amortised over its useful life.

3.9 Leases - lessee

Operating lease

Lease payments under an operating lease are recognised as an expense in accordance with lease contracts over the lease term.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)

These notes are an integral part of and should be read in conjunction with the accompanying financial statements

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**3.10 Financial investments****Investments in subsidiaries, joint ventures, associates**

Investments are classified as investments in subsidiaries when the Company has the power of control over policies and operating activities, normally evidenced by the holding of more than 50% of the voting rights.

Investments are classified as investments in joint ventures when the Company has joint control over the financial and operating policies of the investee.

Investments are classified as investments in associates when the Company directly or indirectly holds from 20% to under 50% of the voting shares of the investee without any other agreement.

Investments in subsidiaries, joint ventures, associates are accounted for under the cost method which comprise the purchase price plus (+) acquisition related costs (if any). In case of investments of non-monetary assets, the cost of the investments is measured at the fair values of the assets as incurred.

Dividends for the period after the acquisition date are recognised as financial incomes at their fair values when the shareholder's right to receive payment is established.

Recognition principles of provision for financial investments

As of the date of the financial statements, with regard to the other investments other than the securities that are listed or registered for trading in the domestic stock market and freely traded in the market, if a basis for impairment in value of the investments is present, a provision for other investment impairment loss is recognised at no more than the carrying amount of the investment.

3.11 Account payables

Liabilities are classified as account payables to suppliers, and other payables according to the following principles: Account payables to suppliers are trade payables arising from transactions involving the purchase and sale of goods, services and assets, where the supplier is an independent entity from the buyer. Remaining payables are classified as other payables

Liabilities are tracked according to their original term, remaining term at the reporting date, original currency and by each entity.

Liabilities are recognized at an amount not less than the obligation to be paid.

3.12 Owners' equity***The owners' equity***

The owners' equity is recognised when received.

Treasury shares

Treasury shares are recognised at purchased cost and presented in the balance sheet as a deduction from equity.

Profit appropriation

Net profit after income tax can be distributed to shareholders after the distribution is approved by the General annual meeting of shareholders and reserves are created in accordance with the Company's Charter and legal regulations in Vietnam.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)

These notes are an integral part of and should be read in conjunction with the accompanying financial statements

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**3.13 Revenue, other incomes*****Revenue from selling goods***

Revenue from selling goods is measured at the fair value of the consideration received or receivable. In most cases, revenue is recognised when transferring the risks and rewards of ownership to the buyer.

Dividend income

Dividend income from investments is recognised when the Company's right to receive payment has been established.

3.14 Deductions

Deductions include trade discounts.

Deductions arising in the reporting year from consumption of products, goods and services are recognised as decreases in revenue in that year; Deductions arising after the end of the reporting year but prior to issuing the financial statements for the reporting year are recognised as decreases in revenue of the reporting year; Deductions arising after the end of the reporting year and after issuing the financial statements for the reporting year are recognised as decreases in revenue of the next year.

3.15 Cost of sales

Cost of sales provided represents total costs of finished products, goods which are sold in the year in accordance with the matching principle. Abnormal amounts of production costs of inventories are recognised immediately in cost of sales.

3.16 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the cost of those assets.

All other borrowing costs are recognised in the income statement when incurred.

3.17 Financial expense

Financial expenses represent all expenses incurred in the reporting year which mainly include borrowing costs, losses from selling foreign currency and exchange rates.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)

These notes are an integral part of and should be read in conjunction with the accompanying financial statements

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**3.18 Selling and general and administrative expenses**

Selling and distribution expenses represent expenses incurred during the process of selling products, goods and rendering services, which include payroll costs for sale employees (salaries, wages, allowances, etc.); Social insurance, health insurance, trade union fees and unemployment insurance; Stationery expenses, material expenses, depreciation expenses of fixed assets used for selling activities expenses relating to product exhibition, advertisement, sales commissions, product warranty (except for construction activities), storage, packaging and shipping etc.

General and administrative expenses represent common expenses, which include payroll costs for office employees (salaries, wages, allowances, etc.); Social insurance, health insurance, trade union fees and unemployment insurance; Stationery expenses, material expenses, depreciation expenses of fixed assets used for administration activities; Land rental, license tax; Provision for doubtful debts; Utility services (electricity expenses, water expenses, phone, fax, warranty expenses, etc.); Sundry expenses (entertainment, customer conference, etc.).

3.19 Foreign currencies

The Company recognises the foreign exchange differences in line with Vietnamese Accounting Standards No. 10 ("VAS 10") "Effects of Changes in Foreign Exchange Rates" and Circular 200/2014/TT-BTC regulating "Guidelines on the Corporate Accounting System" dated 22 December 2014 by the Ministry of Finance. Accordingly, transactions arising in foreign currencies are translated at the exchange rates ruling at the dates of transactions.

As at the end of the financial year, monetary items that are measured in terms of historical cost in a foreign currency are not revaluated; whereas, monetary items denominated in foreign currencies are revaluated in line with below principles:

- Monetary items denominated in foreign currencies recognised as assets shall be revaluated at the buy rates of the bank that the Company has most banked with;
- Monetary items denominated in foreign currencies recognised as liabilities shall be revaluated at the sell rates of the bank that the Company has most banked with.

The exchange differences arising on the settlement of monetary items are recognised in the statement of profit or loss in the year in which they arise. At the end of the reporting year, monetary items excluding advances to suppliers, prepaid expenses, and unearned revenues, which are denominated in foreign currency, are reported using the closing rate and resultant exchange differences resulting from the reporting after offset are recognised in profit or loss in the year in which they arise.

3.20 Basic earnings per share

Basic earnings per share is calculated by dividing the Company's net profit after tax, after appropriation to bonus and welfare fund, by the weighted average number of common shares outstanding during the period, excluding the treasury shares which are repurchased by the Company.

3.21 Diluted earnings per share

Diluted earnings per share are calculated by dividing the net profit attributable to ordinary shareholders (after adjusted for bonus and welfare funds), by the weighted average number of ordinary shares outstanding during the year and total ordinary shares that would be issued on the conversion, excluding ordinary shares bought back by the Company and held as treasury shares.

NOTES TO THE FINANCIAL STATEMENTS (CONT'D)

These notes are an integral part of and should be read in conjunction with the accompanying financial statements

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**3.22 Taxation*****Current income tax***

Current income tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted by the balance sheet date. In the year 2025, the Company has the obligation to pay corporate income tax ("CIT") at the rate of 20% of taxable profits earned from all operations.

The tax returns of the Company are subject to examination by the tax authorities. Because the application of tax laws and regulations to many types of transactions is susceptible to varying interpretations, the amounts reported in the financial statements could be changed at a later date upon final determination by the tax authorities.

Value added tax

The goods sold and services rendered by the Company are subject to value added tax at the rate of 8% - 10%.

In accordance with Decree 180/2024/NĐ-CP dated 31 December 2024 and Decree 174/2025/NĐ-CP dated 30 June 2025 by the Government, the VAT rate of 8% is applicable to certain goods and services from 01 January 2025 to 31 December 2026.

Other taxes

Other taxes are paid in accordance with the prevailing tax laws in Vietnam.

5. INFORMATION SUPPLEMENTING THE ITEMS IN THE INCOME STATEMENT (CONT'D)

5.8 Current corporate income tax expenses

The current corporate income tax payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years, it excludes items that are never taxable or deductible and it further excludes exempt income and tax losses carried forward. The Company's liability for current income tax is calculated using tax rates that have been enacted by the balance sheet date.

Current corporate income tax expense and accounting profit are reconciled together as follows:

	Year 2025 VND	Year 2024 VND
Accounting profit before tax	65,196,196,938	52,901,072,753
